Industrial Railroad/Switching Operations

Batavia & Ohio Railway Services, LLC offers third party contract industrial railroad/switching operations for your business/facility. Let us handle the railroad business so you can focus operating your business/facility. No longer will you have to change your business/facility schedule to accommodate your rail carrier. Let us provide you with dedicated, in-plant rail service.

Safety and customer satisfaction go hand in hand as our number one goal!

Mission Statement

Promote economic and industrial development by providing our customers with safe, cost effective, and innovative solutions for their transportation needs.

About our Industrial Railroad/Switching Operations
